

Thankful

Message from the Board

Hello Providers!

November is the time to be thankful, a time to remember, and to embrace those who enrich our lives. We are thankful for a lot of things, but we are most thankful for you! Your support means a lot to our organization without you we would not exist. We are counting our blessings and we are grateful to have the support of Child Care Providers throughout our community.

As we come together, celebrating Thanksgiving, we want to express our gratitude for the faithful acts of kindness happening around us every day. People like teachers, barbers, dog walkers and mail carriers are absolutely worthy of our gratitude for doing what they do day in and day out, and we don't have to wait for Thanksgiving or Christmas to thank them.

During this season of sharing, offer someone a cup of coffee, buy lunch for a friend or just share some kind words. A simple thank you can mean so much to a person! Have a beautiful blessed Thanksgiving!
